A Message to our Family of Patients Regarding COVID-19/Coronavirus

To our Dentistry Details Family of Patients,

Like many of you, we are aware of the disruptions and shared sacrifices we must make during this COVID-19/Coronavirus pandemic sweeping the world. We fully understand the concern surrounding this situation. **Effective 5:00 PM, Wednesday, March 18, 2020**, as ordered by our governor and the Ohio Dental Board, we will only be able to see emergency patients until further notice. This order is to assist with preserving PPEs (Personal Protective Equipment) and to safeguard patients and dental care providers.

We want to reassure you, we are taking all the necessary steps and precautions to keep our patients and our team members safe. Please know as healthcare providers, it is our usual and customary practice to follow all OSHA infection control protocols on a daily basis. We always are taking precautions to ensure the health and safety of everyone who visits our office

All of this is evolving daily and we will make necessary adjustments as we move forward, based on directions and recommendations of our governing boards. We will call patients to schedule/re-schedule appointments accordingly. **Please note, due to the above-mentioned order, our office hours will be very limited during this period.**

If you have any questions, please don't hesitate to call or email the office. We will do our very best to address your concerns. Thank you for your understanding. Please take care and be well!

Sincerely,

April Hearn, D.D.S., General Dentist
and The Dentistry Details Team
